

Synthetic Grass Installation Price Guide

****Pricing includes materials and installation. All pricing is subject to site access conditions.****

1) COMPACT & LAY PACKAGE

STARTING AT \$5-6/SQ. FT.
(CUSTOMER MAY HANDLE BASE PREP)

INCLUDES:

- Base compaction
- Turf layout, nailing, and final brushing
- Seam tape along seams, nails every 4-6 inches along borders and seams where needed and seam glue applied where needed along all joints

NOTES:

- Waste from off-cuts/sizing will be charged to the customer
- Extra charges may apply depending on turf selection, roll size availability, and resulting waste
- Final price may vary based on site access

EDGING (EXTRAS/ADD-ONS)

- **Paver Finish \$14/ft** (Gives a neutral, modern look. Concrete pavers can easily be installed by pavers of your choice.)
- **Plastic Edging \$8/ft** (Simple black plastic edging available in three heights, 2 inches, 4 inches and 6 inches.)
- **Pressure Treated 4x4 timbers \$9/ft** (Provides a durable, natural wood finish. Treated wood is used to create a border surrounding the installation area.)

2) FULL PREP & LAY PACKAGE

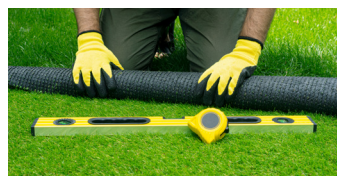

STARTING AT \$7-8/SQ. FT.
(FULL BASE PREP + INSTALLATION)

INCLUDES:

- 3-4 inch dig-out (dig out/removal/disposal of current base)
- Weed barrier
- Roadbase (3-4" prep of surface includes roadbase w/ crusher dust lay & compaction)
- Turf layout, nailing, and final brushing
- Seam tape along seams, nails every 4-6 inches along borders and seams where needed, seam glue applied where needed along all joints & topicals applied depending on material density and use of area.

ADDITIONAL INFO AND POSSIBLE CHARGES:

- Topicals & infills (e.g., anti-microbial sand, cooling infill) are optional and quoted separately
- Flat-rate delivery: \$180 per site
- Turf selection and roll sizing may affect pricing due to waste and availability
- Site access

PRODUCT WARRANTY, MAINTENANCE AND DISCLOSURES

THE 10 YEAR LIMITED WARRANTY:

Turf Suppliers provides a 10-Year Limited Warranty on all artificial grass products from the date of purchase. This warranty applies solely to the original purchaser and remains valid only if the turf is installed and maintained according to Turf Suppliers' official guidelines, available from your authorized dealer. **Coverage Includes:** Manufacturing Defects: Such as turf backing issues, tuft bind failure, and yarn breakage, Fading: Our UV-resistant turf is designed to retain its vibrant color. If fading occurs without external causes, we will repair or replace the affected area at no cost. **Warranty Limitations:** Voided If: UV reflection from windows within 20 meters causes melting or fading, Not Covered: Damage from improper installation, poor maintenance, cuts, burns, intentional harm, or normal wear and tear. **Claims Require:** The original authorized dealer invoice. Proper care is essential to ensure product longevity and warranty coverage. Please refer to your dealer for detailed installation and maintenance instructions.

INSTALLATION WARRANTY:

Coverage Period: One year from the installation date. What's Covered: Wrinkles in turf due to improper installation (resolved under warm conditions, 26°C+), prep-related issues (e.g., sinkholes), seam separation or material defects, drainage problems caused by installation defects. Exclusions: Animal damage and improper use.

PET FRIENDLY GUIDELINES & MAINTENANCE TIPS:

Prompt waste removal and regular cleaning with pet-safe enzyme cleaners are recommended. **Backings for Pets:** Pet Backing: Enhanced drainage and durability. Easy-Flow Backing: Optimal drainage for areas with less rainfall. **General Tips:** Regular debris removal, brushing fibers upright, avoid harsh chemicals and heat-emitting objects. **Winter Care Tips:** Use plastic tools for snow removal, minimize chemical de-icers, rinse and brush after snowmelt.

DISCLOSURES:

While our synthetic grass requires significantly less upkeep than natural grass, regular maintenance is still necessary to keep it looking its best. This includes brushing to maintain upright fibres, removing debris, and occasionally replenishing infill to preserve bounce and appearance. Our products are non-toxic and safe for children and pets; however, caution is advised when handling certain infill materials, as some may contain chemicals that are harmful if ingested. Always keep small children and pets away from loose infill and dispose of unused materials according to local regulations. We're committed to transparency and are happy to answer any questions about our products, maintenance, or warranty coverage.
